

Dear Crestview Middle Community,

Hello Charger Nation!

It brings me pleasure to welcome everyone one back for another amazing year at Crestview Middle. I also want to extend a special “welcome” to our new 6th grade and transfer learners. I hope each one has enjoyed a wonderful summer that offered you the much-needed time to relax and recharge! I am so delighted that you are part of our amazing learning community. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your learners.

All signs point to another incredible and productive school year. Our skilled and devoted leaders are already planning and preparing for your learners. Our enthusiastic office team is registering new community partners, ordering needed materials, and updating learner files. Our hard working and conscientious custodians have spent the entire summer thoroughly cleaning the facility. We are indeed a joyous and caring community with the common goals of nurturing responsible, caring learners and promoting high-level learning.

New Learning Leaders

Each year brings positive change. This includes a few additions to our learning leaders. We are delighted to welcome Trina Smith, our Learning Loss Coordinator, Ashley Moore our 7th grade ELA, and Sonja Chambers our writing specialist.

Student Placement

Crestview Middle School is eagerly, looking forward to enriching your learner’s life. A great deal of time, consideration, effort, and thought has gone into the process of student placement for the 2021-2022 school year. Classrooms have been balanced academically and socially. Our class lists are structured to provide equitable class sizes at each grade level. Moving a learner is difficult without causing imbalances and inequities.

We want to thank you for being positive with your learner and helping him/her understand that it is impossible to place all learners with a preferred best friend or learning leader. ALL of our leaders work hard to make school a positive experience for ALL learners. Thank you for understanding that it can take a few weeks for a learner to acclimate to a new grade, peer group and leader.

In closing, we want to, again, say “thank you” to all who are helping prepare our learners for the new school year. Your commitment in insuring that Crestview Middle School remains a celebrated and successful school is inspiring. I enthusiastically look forward to greeting learners and community partners again.

It remains an honor and privilege to serve as your principal. Please stop by and say hello. Together, I know we will make this school year one of growth and achievement for all learners.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chris Morris', with a stylized flourish at the end.

Christopher L. Morris, Ed.D.

Principal
